

## SPECIAL OCCASSIONS & ROMANTIC EVENINGS

### ROMANTIC DINING

InterContinental Bali Resort provides outdoor dining venues that offer the ultimate in romantic dining and private interludes in the form of tented pavilion, canopied in white cotton and discreetly located on beachfront lawns that overlook Jimbaran Bay.

After sunset, these tented pavilion for two emerge as romantic dining retreats under a tropical night sky filled with stars, illuminated by flickering candles and the glow of the moon, while accompanied by tropical sea breezes and the sound of waves gently lapping the shoreline.

You will be seated at a beautifully decorated table for two, with candles and a set menu especially created for this intimate beachside rendezvous. Each course is prepared by a personal chef and served throughout the evening by a personal butler. This romantic dinner experience can be provided at various locations within the resort.

All reservations must be made at least 24 hrs in advance.
